ROD WILL
BE BENT AT
45° ANGLE
ONLY IF
REQUESTED

Standard stake support includes a painted mounting bracket (permanently joined to back of plaque) and detachable 1/2" diam. solid aluminum stake. Two stakes are recommended for plaques over 14" long. Use top hole in mount for a flag if appropriate.

****These stake mounts are recommended for use with smaller plaques only.****

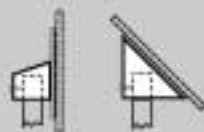

ROSETTES

We have several different styles of decorative rosettes available. The best option of our standard styles (#1, and #2) will be used based on the size of your plaque unless otherwise requested.

Sizes range from 3/4" to 2" - call for plaque compatibility

ALTERNATIVE MOUNTING TYPES

SBM90 or SBM45 - \$43.43

This stake mount is intended for medium sized plaques too large for a standard stake, yet too small for a post mount and fits a pipe with a 1" O.D. or our 1" solid aluminum stakes.

Available straight or with 45° angle.

1" diam. aluminum rod \$8.57/n

FMB 10 - \$69.02

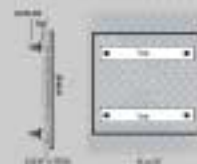

This flag pole mount is made of aluminum u-channel 3"x1" and is installed using 2 stainless steel heavy duty hose type clamps and stainless hardware to fasten plaque to the bracket. Standard size will fit a 10" x 12" plaque.

STRB2 - \$145.26

Heavy duty 2 part straddle bracket fits your existing 2" - 2 3/8" diam. post. Bracket can be bolted or welded to plaque in a horizontal or vertical position. Top straddle is secured with 6 bolts into base with 2 top set screws for security.

Base - 5" x 5 1/2" Height - 4" Wt. - 3.5 lb.

FM1 - \$48.30 ea.

Fence mounting bracket made of stainless steel and aluminum consists of 4 studs, 2 bars, 4 washers, 4 nuts, and 2 rounded acorn nuts.

Most plaques require 2 brackets (as above). Custom applications available for larger plaques, call for special quote.

POST MOUNTS

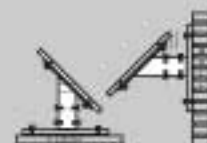

We have post mounts in medium, heavy, and extra heavy duty. Each aluminum bracket will have a mounting plate to correspond to the size of plaque ordered. All post mounts are made of 6061T6 Aluminum heliarc welded and shipped with stainless hardware.

PM5 (straight) or PM7 (angled) — \$107.61
This post mount fits posts with a 2 3/8" O.D. and is intended for light to moderate use. It would be suitable for low traffic areas such as gardens, or tree memorials.
Available straight or with 45° angle.

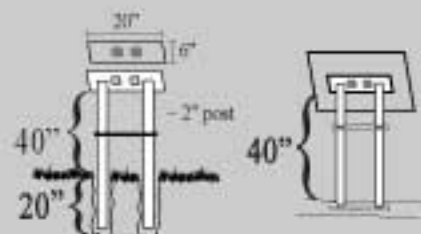

PM9 (straight) or PM10 (angled) — \$269.84
This post mount fits posts with a 4" O.D. and is intended for extra heavy use with a 1/2" sleeve wall. It would be suitable for high traffic areas, such as parking lots.
Available straight or with 45° angle.

PM11 — \$311.75 (2 3/8")
\$325.00 (3") or \$410.00 (4")
This post mount is intended for areas where a post can not be installed. It can be ordered straight or angled at 45°, and can be mounted directly to a wall or floor.

PM6 (straight) or PM8 (angled) — \$134.63
This post mount fits posts with a 3" O.D. and is intended for moderate to heavy use. It would be suitable for parks or school grounds.
Available straight or with 45° angle.

DPGM45 — \$586.93 DPCS45 — \$925.45
NEW! This unique mount is for larger plaques requiring 2 posts. It comes with an anchor plate attached to your plaque which mounts to the angled post bracket. It can be ordered with the standard posts for ground mounting (DPGM45), or with the optional concrete setter base (DPCS45) to be mounted without digging.
CALL FOR FURTHER INFORMATION

Optional Installation Kit — \$64.00

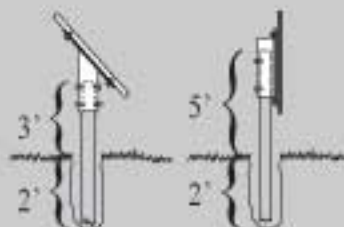

6 Hex Head 3/8" x 4" stainless steel wedge bolts
1-3/8" masonry wedge bit
Recommended tools: Hammer, drill & impact wrench

These mounts are intended for medium to large plaques. For smaller plaques, see stake options on previous page.

POSTS

In addition, due to all the requests, we also now have steel (sch 40) and aluminum (sch 40 6061T6 high quality) posts. We will prepare and cut posts to your customers desired length then prime and paint with a high quality durable paint to match your plaque. The aluminum posts are also available in wire brush finish.

Shown above is a typical installation.

Suggested Retail Price Per Running Foot	Steel Posts	Alum. Posts

2 3/8" O.D. Sch 40	\$23.85	\$47.70
3" O.D. Sch 40	\$33.78	\$67.49
4" O.D. Sch 40	\$43.65	\$87.40
1" diam. aluminum rod	n/a	\$8.57/ft

GHOST IMAGING

Our unique Ghost Imaging process has been a popular item since it's creation. A custom logo of your choice is ghosted into the background of your plaque and the text is cast over the background image to give it a three dimensional look. These plaques would be great for military and city service memorials or dedications. Keep in mind that the background image is not highly detailed - given the name ghost. The finished product will look best when the background art is simple with heavy lines.

Pricing below is from your supplied CRA.

PORCELAIN PORTRAITS

As an alternative option for including a photograph on your cast plaque, we now offer Porcelain Portraits. Each image is enhanced, color corrected and retouched to make the best presentation possible. Using the latest in ceramic printing technology, images are printed at high resolution and then kiln-fired to achieve an image that is resistant to fading, freezing and deterioration and can be placed on any of our cast dedication plaques.

MAGNESIUM ETCHING

Magnesium etchings are a possible alternative to cast plaques when small detail is desired. Text as small as 12 pt can be accommodated which allows for more text on a smaller plaque.

Etchings are available in three thicknesses and have raised letters and border with a brushed finish. The background is textured paint.

Magnesium etchings can be paired with our Metalphoto or 2 dimensional busts for lasting tribute.

RECOMMENDED FOR INDOOR USE ONLY.

BIP 812

Metalphoto addition to a
cast bronze dedication plaque.

BLANK INSERT PLAQUES

ECONOMY/CAST PHOTO

CEMETERY MARKERS – FLOWER GARDEN DONOR – TREE DEDICATIONS – PET MEMORIALS

The ultimate plaque for outdoor use is cast aluminum or bronze, but where excessive amounts of copy, limited space or economy is required an applicable alternative would be our original BIP- the popular Cast Photo Plaque with an optional metalphoto insert. Metalphoto is anodized aluminum with a resistance to abrasion, chemicals and high temperatures and offers extensive outdoor life in the harshest environments.

PLAQUE SIZE – 4"X6" WITH 3"X5" IMPRINT AREA

SPM2 – 4"X6" cast aluminum plaque with raised double border, stake mount, and a 3"x5" metalphoto insert installed. The plaque has cast rear mounting including a 24"x 1/4" straight aluminum rod. If you would like the stake bent at a 45° angle please request it when placing your order.

FPM1 – 4"X6" cast aluminum plaque with raised double border, flat back, and a 3"x5" metalphoto insert installed. The plaque has 4 mounting screws included.

Metalphoto insert is available in your choice of either black lettering on silver background or silver lettering on black background. The cast backer in black with brushed aluminum border and clear coating.

SPM2 (with stake mount)

1-12:	\$41.32 ea.
13-24:	\$40.16 ea.
25-99:	\$39.01 ea.
100-up:	\$37.88 ea.

FPM1 (with corner holes)

1-12:	\$36.71 ea.
13-24:	\$35.57 ea.
25-99:	\$34.43 ea.
100-up:	\$33.28 ea. (R)

For a Holly Bronze finish, add \$10.00 to above cost.

Prices are quoted with black and white camera ready copy provided. Fax, or .pdf confirmation is required with emailed art (see our CRA policy on pg. 23). If typesetting is required, add \$23.34 for each copy change. This price includes proof for your approval.

DO IT YOURSELF PLAQUE

(ECONOMY BLANK INSERT PLAQUES)

Use our cast backer plaque and install your own insert of metalphoto, plastic or etching. These are the same cast plaques as pictured above, finished and ready for your insert in the 3"x5" recessed area.

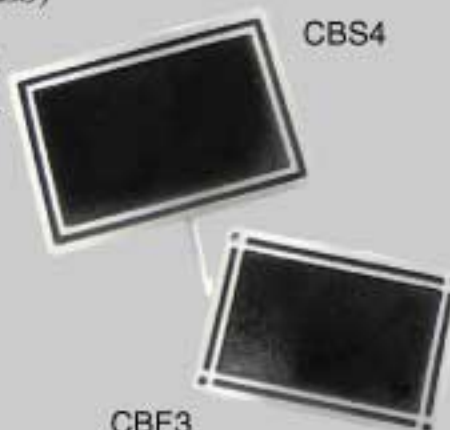

CBS4 (stake mount/no insert)

1-12:	\$21.70 ea.
13-24:	\$20.49 ea.

CBF3 (corner holes/no insert)

1-12:	\$16.85 ea.
13-24:	\$15.66 ea.
25-99:	\$14.58 ea.
100-up:	\$13.26 ea. (R)

For a Holly Bronze finish, add \$6.70 to above cost.

BLANK INSERT PLAQUES

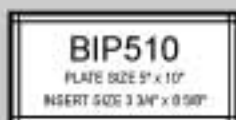

In Stock
Item!

The Blank Insert Plaque is a heavy cast aluminum backer with a 3/8" deep recessed area, that is painted with a raised double line border (either in the standard brushed aluminum or Holly Bronze™ finish) and a blank recessed area to quickly and easily showcase your custom insert. Metalphoto, plastic, sublimation or etched products are only a few examples that would work beautifully in these high quality, durable backers.

The standard sizes below are available with three types of mounting, and include hardware. Our standard stake or post mount, or our new stake bracket mounts with a 1" aluminum stake, shown on page 5 can be added for an additional charge.

These versatile plaques are now stock items, available with or without a Metalphoto insert, that can be shipped out quickly to provide your customer with a beautiful finished product within a short time frame.

BIP1318dx	NO INSERT	W/INSERT
ALUMINUM	204.75	395.94
HOLLY BRONZE	234.76	482.39

BIP1318dx is a unique information center, similar to a photo frame, that can accommodate any type of media you can produce up to 1/4" thick, such as Metalphoto, Lexan or Sublimated material.

The back panel is attached with 8 screws for easy assembly.

Expanded
Line!

BLANK INSERT PLAQUES - HV

Horizontal or Vertical Universal HV Series

We have expanded our line of popular Blank Insert Plaques to include the Universal HV Series. These heavy cast aluminum backers have a 1/4" deep painted recessed area with a raised double line border (either in the standard brushed aluminum or Holly Bronze™ finish) to quickly and easily showcase your custom insert. Metalphoto, plastic, sublimation or etched products are only a few examples that would work beautifully in these high quality, durable backers.

Sizes available for our HV Series are listed below. All blanks can be used vertically or horizontally as received. Standard hardware will be included with your choice of wall or stake mounting.

STANDARD MOUNTING:

Typical on all standard duty HV Series Blank Insert Plaques.

All stake models have 1"x7/8" boss centered with 3/8" holes to receive stake.

Stake is 3/8" x 24" with 45° bend.

All hardware included.

STREET IDENTIFIERS

HEAVY CAST ALUMINUM

This concept in street identifiers lets you select design, letter style and color. Abbreviations will be used where applicable. Standard letter style is your choice of Caslon or Helvetica with one stock background color from page 34. Front and back are painted with alkyd enamel with the raised lettering and borders in reflective white. A clear resin over seal is also applied to finish each plate. Any one of our stock logos can be used at no additional charge. Custom logos are available for an extra charge from your supplied production ready artwork.

DOUBLE SIDED MODELS

Lettering on both sides with raised white reflective letters and border.

Painted background with clear resin over seal.

Each plate is approx 1/2" thick and weighs between 3-5 lbs.

Standard intersection uses:

2- plates, 1- PB1 pipe bracket and 1- PB3 cross bracket

ARTWORK

If you send production ready art, you will not receive a proof unless you request one.

Production Ready Art

Poor Quality Art

The art department at Grandview Aluminum Products, Inc. would prefer all artwork that is to be used as production ready (no editing necessary, your file is sent directly to production with no proof) be e-mailed as a black and white vector based image or line art in either an .eps or Adobe Illustrator (.ai) file format, no larger than 5 MB. If text is included in your artwork, it must be converted to outlines or curves to be certain the font will not be substituted when the file is opened on our end. If in doubt, please send a .pdf version or a faxed hard copy for verification.

If it is not possible to send the high quality vector art, then we may be able to convert or recreate the art for an additional art charge. Please send best art file available for an estimate.

DELUXE SAMPLE KIT

DEALER EXCLUSIVE: For those of you interested, we have put together a new sample kit with some of our higher end products. This kit will include the following:

- 1- 4" x 6" Bronze plaque featuring some of our stock borders
- 1- Aluminum 3D bust
- 1- Aluminum cast plaque with a melinger top and 2D bust
- 1- OC2 full color porcelain portrait

Deluxe Sample Kit will also contain our standard samples- Pewter Ghost Imaging plaque, AP3, Holly Brz, BIP58, metalphoto and a bumper plaque at no extra charge.

Total cost for the full kit will be \$95 (net) plus shipping. Each deluxe item in the kit can be sold individually. Call for more details and pricing.

PHOTOGRAPHIC OPTIONS

Metalphoto Reproduction

Image reproduction from your supplied photo on to .032 gage aluminum. Available in silver or gold only. For best results, we suggest using a high contrast photo. For indoor or outdoor use. More information can be found on page 12.

Porcelain Portraits

Created from your supplied photo. Images are color corrected and retouched for the best presentation possible, then printed at high resolution and kiln-fired to be weather resistant. For indoor or outdoor use. More information along with assorted sizes and shapes available can be found on page 9.

2 Dimensional

A simplified artistic rendition from your supplied photo, the 2 dimensional bust is cast directly on your dedication, memorial or economy plaque. For indoor or outdoor use. Recommended sizes begin at 5" tall. More information can be found on the included dealer insert.

3 Dimensional

A custom mold is sculpted from your supplied photo, then cast in bronze or aluminum and mounted to your dedication, memorial or economy plaque. For indoor or outdoor use. Recommended sizes begin at 6" tall. Requires extended time for proofing. More information can be found on the included dealer insert.

7" POLICE OR FIRE DEPT. EMBLEM

Top and bottom area your dept. and city. Anything other than fire logos in center circle area must be quoted. Raised areas are brushed aluminum. Quantity pricing reflects all identical.

CUSTOM CAST BUMPER PLAQUES

DURABLE CAST ALUMINUM

Custom hand-cast to your specifications with textured enameled background. Raised letters and border are machine-ground to a lustrous satin finish of natural aluminum. All plaques are 6" x 12" x 1/4" thick, weigh approximately one pound and are drilled for standard license plate brackets. Holes are drilled top and bottom at 7" on center.

CHOICE OF STYLE AND LETTERING SHOWN ON EXAMPLES BELOW

CHOOSE FROM OUR 9 STANDARD COLORS

PRODUCT NUMBER - BP

Add \$1.00 per letter on all over 20 letters, maximum 30 letters. \$180 one time charge for a logo or emblem we do not have. You furnish camera ready artwork. Buy 25 identical and we delete logo charge. Prices apply to 1 background color per plaque. Add \$20 if you request no holes or any variation of hole arrangement. Any one of our stock emblems or logos may be used at no charge, any additional are \$5 per logo (does not apply to stars).

Add \$100 per plaque if you request a special color or match a car color. Send year and make of car plus color code number if possible. This added cost deleted if order is for 10 or more of one special color.

SINGLE PRICE \$37.00 ea.
